 - #2 AP odontoid
 - #3 Lateral (*external auditory meatus to no lower than T2*)
 - #4 RAO/LPO oblique
 - #5 LAO/RPO oblique
 - #6 Swimmers (*only if T1/T2 not included on lateral*)

ADULT SPINE (continued)

- **Cervical Spine 7 Views**

- Order - XR Spine Cervical 6 or More Views
- Views
 - #1 AP axial (*not lower than T2*)
 - #2 AP odontoid
 - #3 Lateral (*external auditory meatus to no lower than T2*)
 - #4 Lateral flexion (*external auditory meatus to no lower than T2*)
 - #5 Lateral extension (*external auditory meatus to no lower than T2*)
 - #6 RAO/LPO oblique
 - #7 LAO/RPO oblique
 - #8 Swimmers (*only if T1/T2 not included on lateral*)
- Notes
 - Only perform if both flexion/extension & oblique views are ordered.

- **Thoracic Spine Routine**

- Order - XR Spine Thoracic 3 Views Routine
- Views
 - #1 AP
 - #2 Lateral
 - #3 Swimmers

- **Lumbar Spine Routine**

- Order - XR Spine Lumbar AP/Lat 2 or 3 Views
- Views
 - #1 AP coned down
 - #2 Lateral
 - #3 Lateral spot L5-S1
- Notes
 - Order primarily for ER & post op exams.

- **Lumbar Spine 4 Views**

- Order - XR Spine Lumbar 4 or More Views
 - Views
 - #1 AP coned down
 - #2 AP axial
 - #3 Lateral
 - #4 Lateral spot L5-S1
-

ADULT SPINE (continued)

- **Lumbar Spine w/ Flexion/Extension**

- Order - XR Spine Lumbar 4 or More Views
- Views
 - #1 AP coned down
 - #2 AP axial
 - #3 Lateral
 - #4 Lateral flexion
 - #5 Lateral extension
 - #6 Lateral spot L5-S1
